

## CREATE A CLAY MODEL PROJECT #10

#10. Model a figure out of clay of one of the heroes, gods/goddess, monster, or structure from the myths OR you may create a vase out of clay that depicts a mythological tale.

**Your Task:** For this project you will need to decide on subject. Using some form of modeling clay or other suitable medium, create either a figure of a mythological hero, god/goddess, monster, structure OR you may create a vase similar to the ones used in ancient Greece that depicts a famous Greek tale. You will want to sketch your own drawing and do not copy a printed one. Be sure to identify on another card what you have created. Use your artistic qualities in your depictions. Should you choose to create the vase, be sure to investigate popular presentations of that time period.

### Presentation

- Bring your model to school carefully and include a card that identifies the subject of your model.
- Try to be true to the original artwork of that time.
- Be sure to identify your subject.
