

CREATE A TALK SHOW FOR A GREEK MYTH PROJECT #7

#7. Create a skit for a talk show in which you will have characters from one of the myths. (This may include up to four individuals). Your talk show will be video-taped.

Your Task: For this project your group will choose a Greek myth and feature three characters from the tale to be guests on a talk show. One group member will conduct the interviews. Your group will need to compose great questions for the talk show and have great responses for the various characters.

Your presentation should be video-taped with the presentation lasting about 2:00 minutes in length.

1. Decide on the myth to feature.
2. Decide on the three characters from the myth to be the guests for the talk show.
3. Create a script for the talk show.
4. Decide on how the characters will be dressed (somewhat in character)
5. Video-tape your presentation.
6. Your presentation should run about 2 minutes in length.

Presentation

- **The video quality should be good; be sure to have adequate volume and the contents are understandable.**
- **A good degree of creativity is apparent in the finished product of your presentation.**
- **The length of the video should be about 2 minutes in length.**
- **Be sure to save your video as a wmv or mov file.**
