

CREATE A COLLECTION OF MONSTERS PROJECT #8

#8. For those of you who like to draw, Greek mythology has numerous monsters throughout its tales, and each provides the spirited artist an opportunity to use his/her talents in re-creating these creatures. Create a computer paper size copy of at least 3 different monsters or one highly detailed poster board copy of one.

Your Task: For this project you will need to decide on your topic(s) to draw. You will want to sketch your own drawing and do not copy a printed one. Be sure to identify each monster. Use your artistic qualities in your depictions. You may choose any type of medium: pencil, paint, colored pencils, etc.

Presentation

- If you are creating more than one monster depiction, you may use computer paper. If you are depicting one monster, use poster board paper.
- Identify your monster(s) and which tale the monster is found.
- It is important that your poster grabs our attention, and is easy to read and understand.
