

RL.7 - Standard One: Cite several pieces textual evidence to support analysis of what the text says explicitly as well as inferences drawn from the text.

1. Cite – (verb) to provide a quote from the passage as evidence of support; to provide proof in the way of a quote. Quotation marks would be necessary.
2. Textual Evidence – (noun) the details found in the passage; the facts
3. Support – (verb) to back up with evidence; defends; verifies; confirms; agrees with, certifies
4. Analysis – (noun) to break down into basic parts and examine; findings based on observation; conclusion; investigation based on studies
5. Text – (noun) passage; article, wording
6. Explicitly – (adjective) stated clearly; well-developed and leaving no questions
7. Inferences –(noun) guess; speculate; imply
8. Drawn – (verb) to take or pull-out of a passage
