

Attention – Attention

You have been hired to cast the main characters for a movie production of “The Highwayman.”

Using text evidence, cast your characters using photos of current actors/actresses to fit your **three** main parts. Remember to use text evidence in making your selections. Place your data in a Google Slides show. Follow the directions below to complete your task.

Page One – Your name, date, period, and assignment (Casting of “The Highwayman”)

Page Two – Identify your first character – Cite text evidence which provides character descriptions/traits or inferences that you used to help describe the character. Be clear...how is the character described in the text...note all details which will help with your search of an actor/actress.

Page Three – A photo of the actor/actress you have chosen to play this part in your movie. Explain what it is about this actor/actress that helped you to decide that this is indeed the best person for the part. Reference other works the actor/actress has played that may have also influenced your decision.

Page Four – Identify your second character – (Same as page 2 only with the 2nd character)

Page Five – Photo of actor two (Same as page 3)

Page Six – Identify your third character - (Same as page 2)

Page Seven – Photo of actor 3 (Same as pages 3)

Page Eight – Proofreader’s comments. You must have another individual proofread your work. All noted errors must be corrected.

Spelling, punctuation, and overall sentence structure will definitely affect your grade. Your creativity in the design of your pages will influence your overall grade. See the rubric for more details.

This assignment will focus attention on the student following directions.
