

Instructions for Hesiod's Greek Cosmography for Creation

Using a round paper plate, identify where the following are located:

1. Greece
2. Mt. Olympus
3. Oceanus (river)
4. Europe
5. Africa / Libya

You may draw, use additional materials, color, etc.

Be sure that all items listed above are easy to find and spelled correctly.

Use the links attached to this Google Assignment to assist where items are located.

This project is due Sep 1.

Rubric - 20

All five items listed above are correctly identified.

Must be a round paper plate.

The project is colorful and neatly presented.

Creativity is rewarded.

Name is placed on the back of the plate.
